

IRONGATE

Gimblett Gravels Chardonnay

2024

Irongate Chardonnay is grown in our flagship Irongate Vineyard in the Gimblett Gravels appellation of Hawke's Bay. From origins in 1985 as a secret experiment in barrel fermentation, this wine now represents the very best of our craft. The vines are pre-selected early in the season at pruning, and crop levels are closely monitored. The result is a limited release wine that is built to last, with spectacular varietal and regional flavours.
