

WINEMAKERS' RESERVE

# Hawke's Bay Merlot

2018

This stylish Merlot is produced from a special selection of grapes grown in the stony soils of our Irongate vineyard in the Hawke's Bay sub-region, Gimblett Gravels.

Supple and sweet-fruited with savoury complexity, balanced by a full-flavoured, soft tannin finish.

LASTING CHARACTER

## WINEMAKER NOTES

Ripe and expressive with dark plum, cinnamon, leather and cedar aromas.

Dense and even on entry with plum, blueberry and tobacco, chocolate notes. Vanilla and liquorish linger. Sweet, dark and juicy.

## FOOD RECOMMENDATION

A hearty wine that complements flavoursome casseroles, beef, lamb and other full-bodied dishes.
